RWJ Airpark (54T) Fly-In Information Baytown, Texas	Drive-in Information RWJ is on the east side of Baytown south of I-10 and east of 99. From I-10 take FM 3180 (Exit 800), turn south. Cross FM 565 and continue a mile, left at Lawrence Rd. airpark entrance -
Elevation 33' MSL	Or from La Porte via 146, cross Fred Hartman Bridge, take Business 146 to Texas 99. Right on 99, right at Fisher Rd. North on FM 2354, right on Lawrence Rd. airpark entrance -
RWY 08/26 5035' X 40' Asphalt	From airpark entrance continue to the second right (just past the end of the grass runway), Lakeview Dr. Continue on Lakeview as it makes an abrupt left turn to parallel the paved runway. This is a narrow road. Be courteous to drivers going the opposite direction. Continue straight to end, <u>do not turn right on the private drives</u> just prior to the hangars. Car parking is on the east end of grass.
